### PRODUCT SIZE

Size: 155x40x25mm

### CARDBOARD BOX

EAN: 5999097977768  
Packaging: 1/b 100/c 800/p  
Dimensions: 112mm x 34mm x 196mm  
Net weight: 160g  
Gross weight: 170g

### CARTON

EAN: 5999097977775  
Packaging: 1/b 100/c 800/p  
Dimensions: 440mm x 420mm x 500mm  
Net weight: 16kg  
Gross weight: 17kg

### PALLET EXAMPLE

Height:  
Width: 120cm (std Euro pallet)  
Mepth: 80cm (std Euro pallet)  
Cartons per pallet: 8carton/pallet  
Cartons per row:  
Net weight: 128kg  
Gross weight: 136kg

### PRODUCT DESCRIPTION

Entac 1W rechargeable work lights represent the perfect choice for convenient repair work. During repair and assembly work there are always hard-to-see places where the main light source of the room is just not sufficient as it cannot illuminate the needed area. That's the right kind of work for the Entac multifunctional work lights. Our 1W rechargeable work lights are also equipped with a hanger and a magnet that help you place your lights where they are needed the most, ensuring proper lighting for the area of your choice. Due to its small size, it is a practical and portable solution. With fold-out legs the lamp can also be used as a small spotlight, thus it provides light with a 1 W COB chip and 250 lumen brightness, providing a visual range of up to 5 meters. Due to its multifunctional design, it also features a 3W XPE LED on top with a 150 lumen brightness. The product works with a Li-ion 18650 battery, can be recharged with a USB charger, and its operating time is a maximum of 6 hours.

The Entac Work light category includes numerous other products. Learn more about these on the following [link](#).
