

EC DECLARATION OF CONFORMITY

This certifies that the following designated product

Product name: **Power Transfer Switch , PTS-series**
Type / model: PTS 230-10
PTS 230-25
And all custom made models of the PTS series

Complies with the requirements of the European Community Directive 73/23/EEC and 93/68/EEC for Low Voltage Directive and 89/336/EEC for Electro Magnetic Compatibility.

Used standards: Assessment of compliance of the product with the requirements relating to electromagnetic compatibility was based on the following standards:

EN50081-1

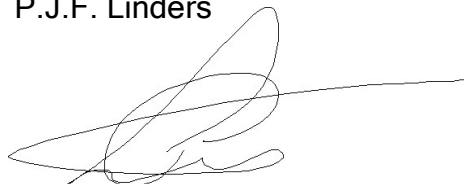

Assessment of compliance of the product with the requirements relating to Low Voltage Directive was based on the following standards:

EN60335-1

This is the result of the tests, that was carried out from the submitted type-sample of a product in conformity with the specification of the respective standards. The certificate holder has the right to fix the CE-mark for EMC and LVD on the product complying with the inspection sample.
